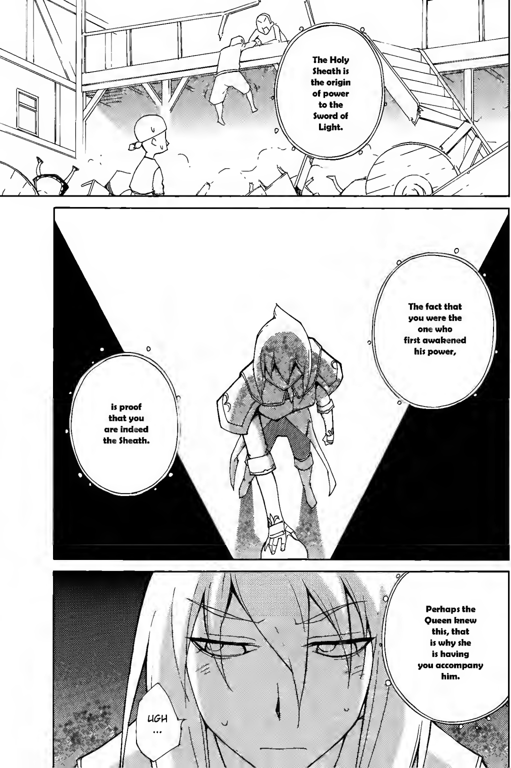
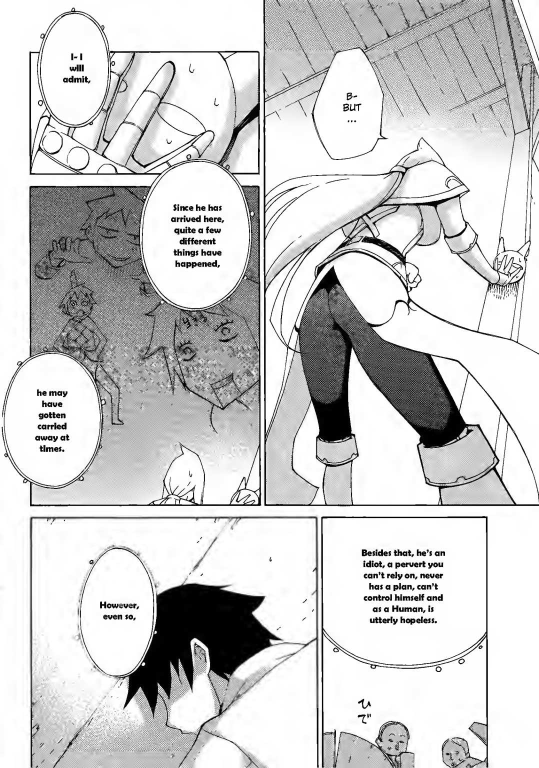
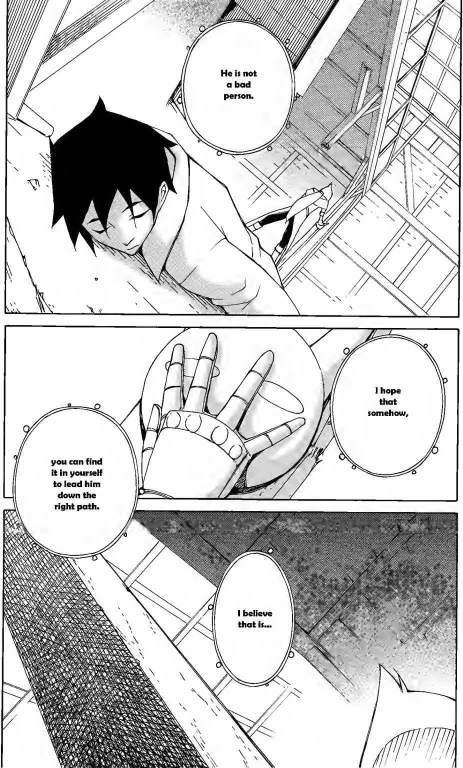
Calm down, Yuno!
I understand why you feel how you do, but that will not change anything.



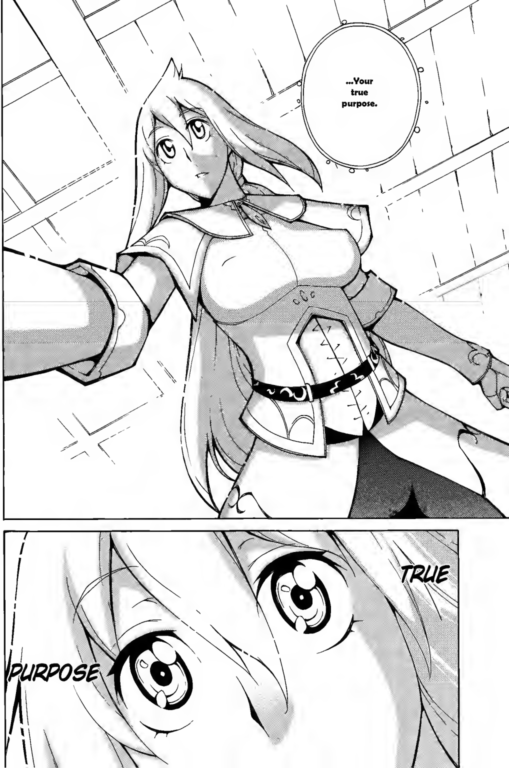
The Holy Sheath is the origin of power to the Sword of Light.
The fact that you were the one who first awakened his power,
is proof that you are indeed the Sheath.
Perhaps the Queen knew this, that is why she is having you accompany him.
UGH ...



B-BUT…
I- I will admit,
Since he has arrived here, quite a few different things have happened,
he may have gotten carried away at times.
Besides that, he's an idiot, a pervert you can't rely on, never has a plan, can't control himself and as a Human, is utterly hopeless.
However, even so,



He is not a bad person.
I hope that somehow,
you can find it in yourself to lead him down the right path.
I believe that is...



...Your true purpose.

HUH?
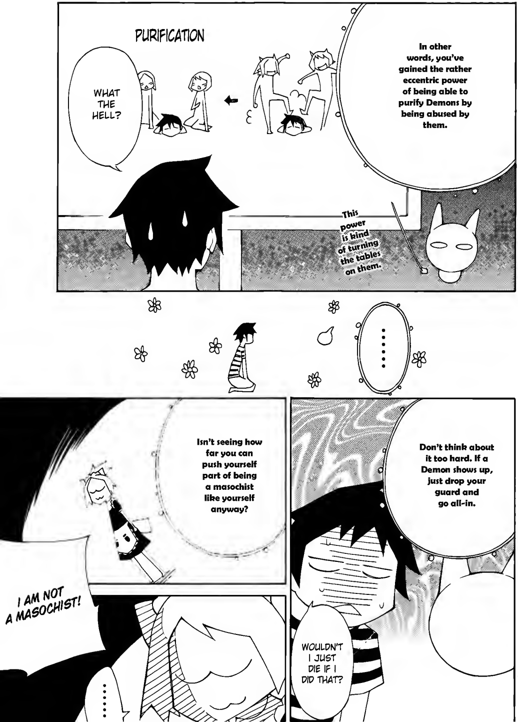
As we all know, Kansuke's power of purification comes from his own sexual desires.
All of those girls' continued attacks...
...opened the door to Kansuke's new power, "Maso".



In other words, you've gained the rather eccentric power of being able to purify Demons by being abused by them.
PURIFICATION
This power is kind of turning the tables on them.
WHAT THE HELL?
......
Don't think about it too hard. If a Demon shows up, just drop your guard and go all-in.
WOULDN'T I JUST DIE IF I DID THAT?
Isn't seeing how far you can push yourself part of being a masochist like yourself anyway?
